Paperback

\$12.99

3 Used from \$11.69

10 New from \$10.02

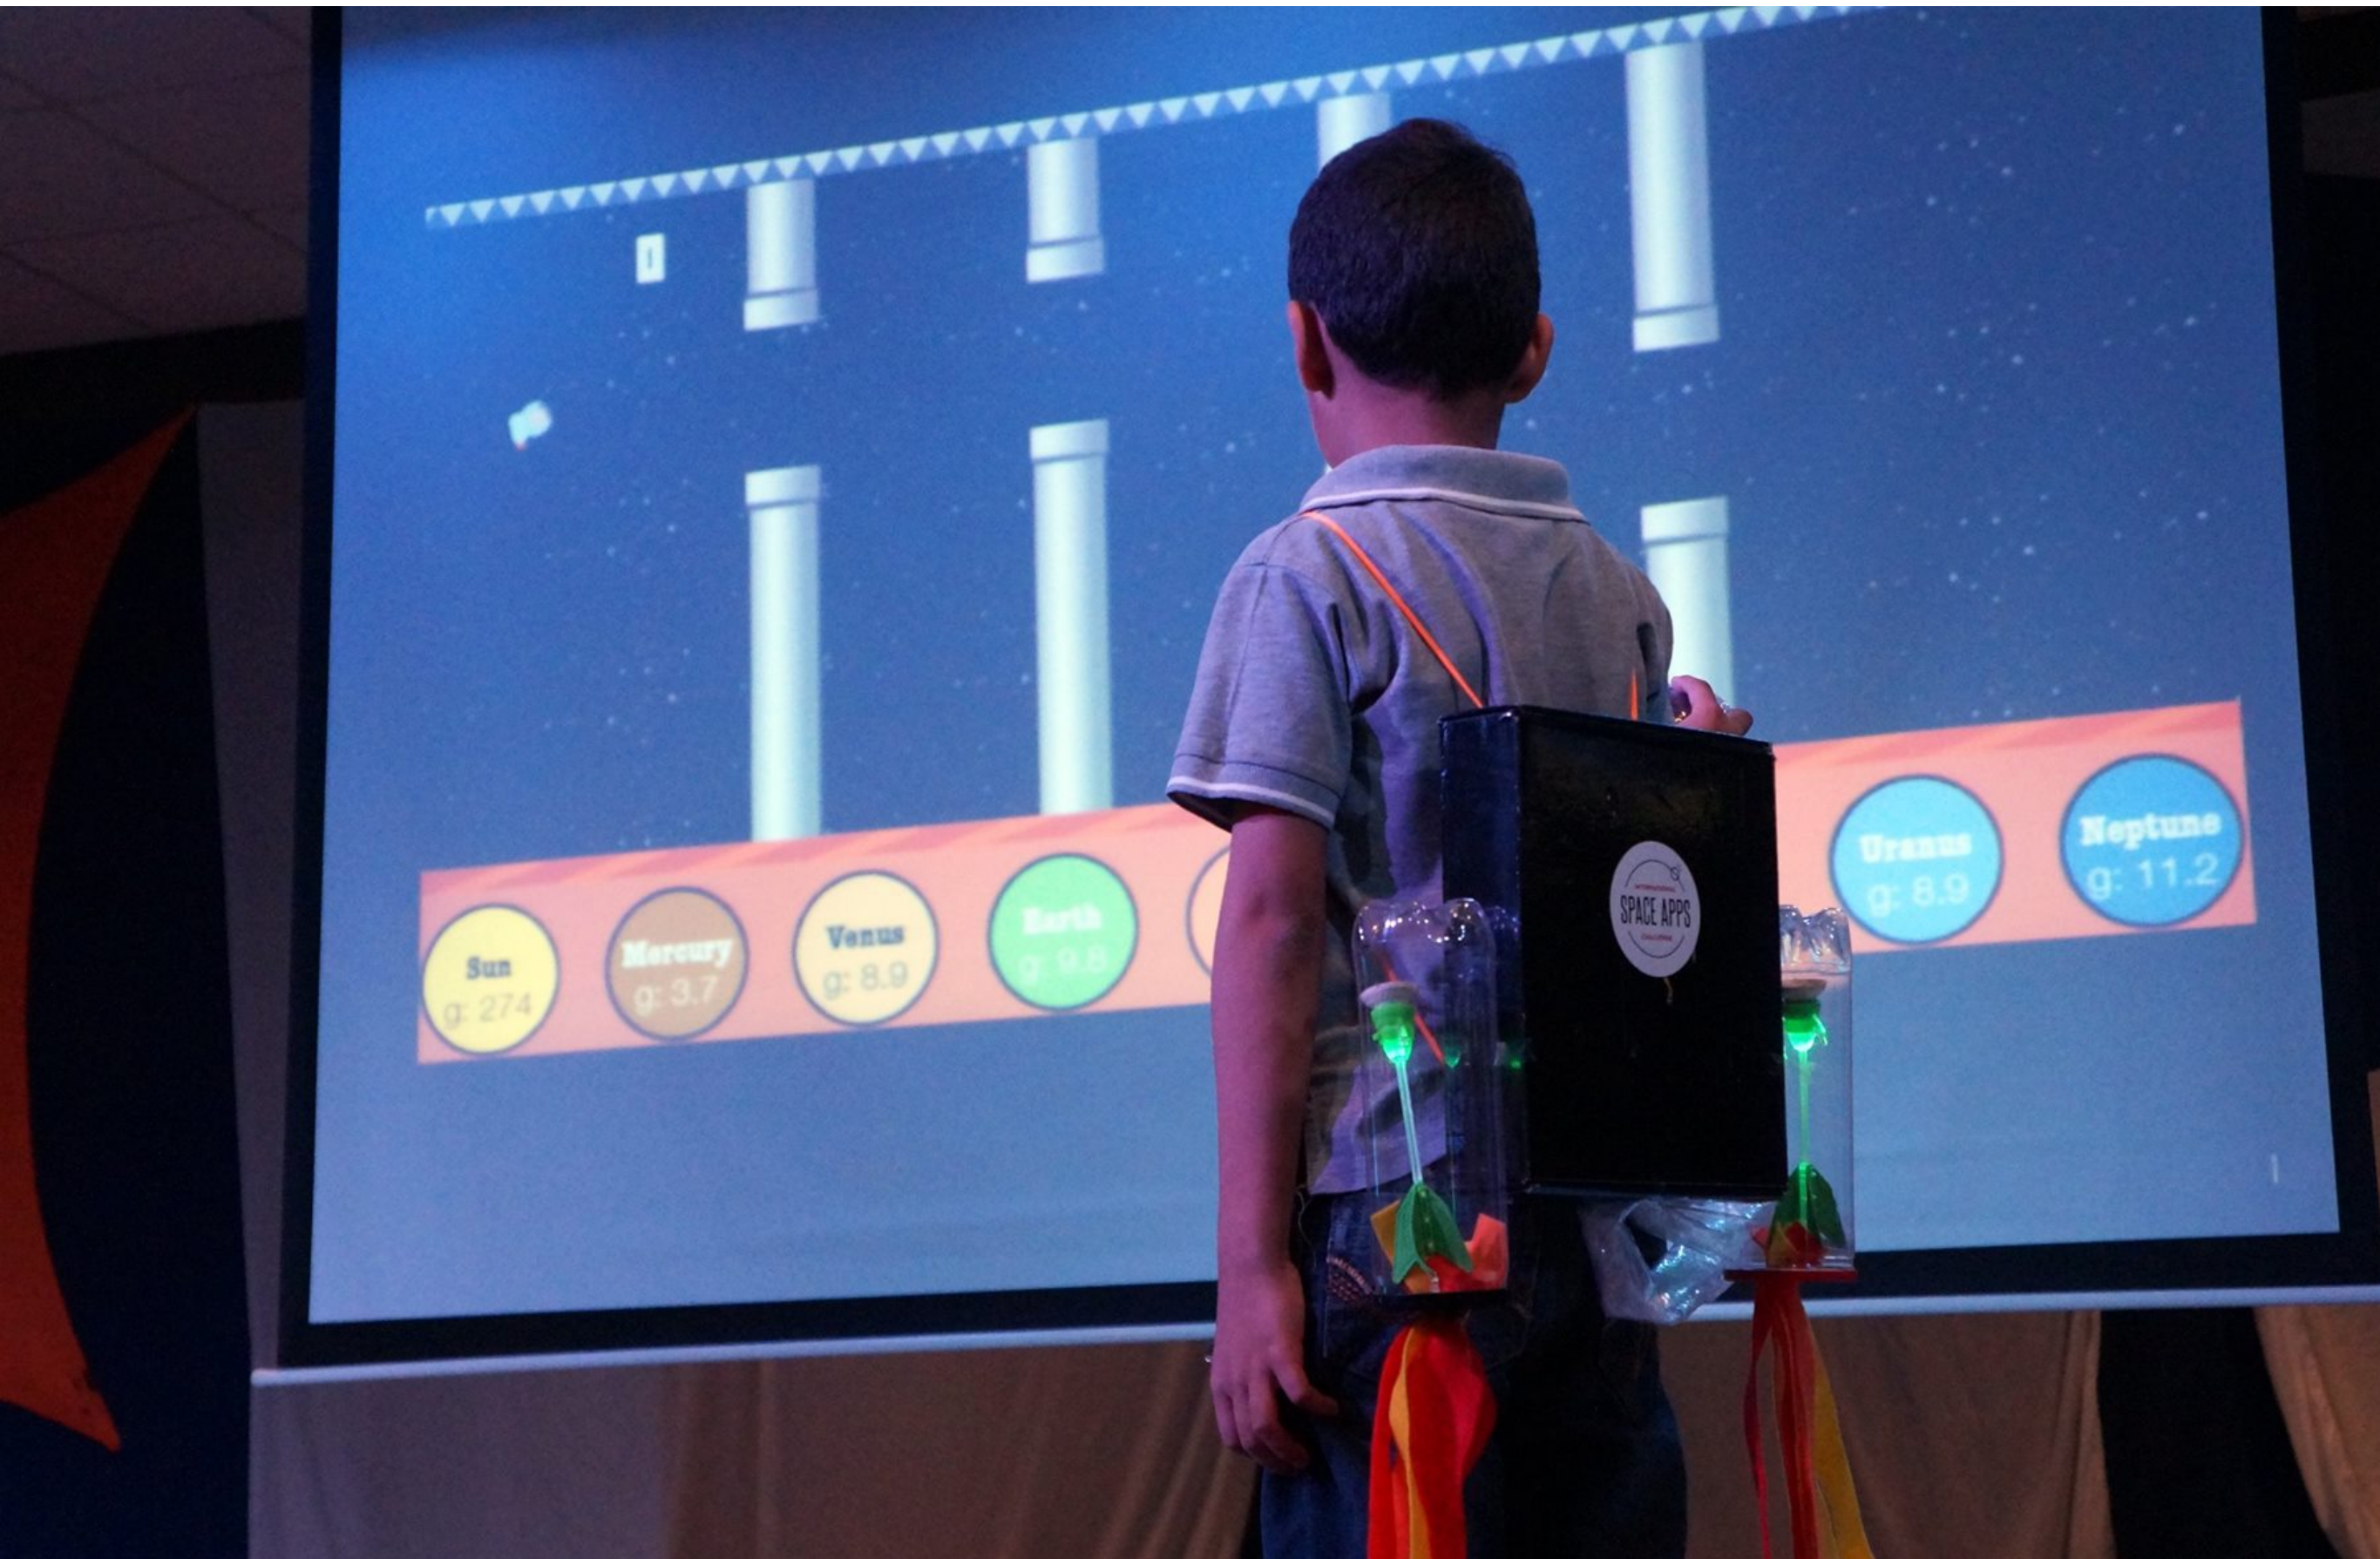

This isn't a usual bedtime story. This is your story. This interactive family news cast turns you and your child into reporters. Share your day with your child while peeking into their world. Help your child learn to express themselves while bonding through quality conversation. Designed for 3-6 year olds and their 7-100 year-old grown-ups!

Misión Alien [\[video\]](#)
a board game to save the planet

FlappyNauta [[video](#)]

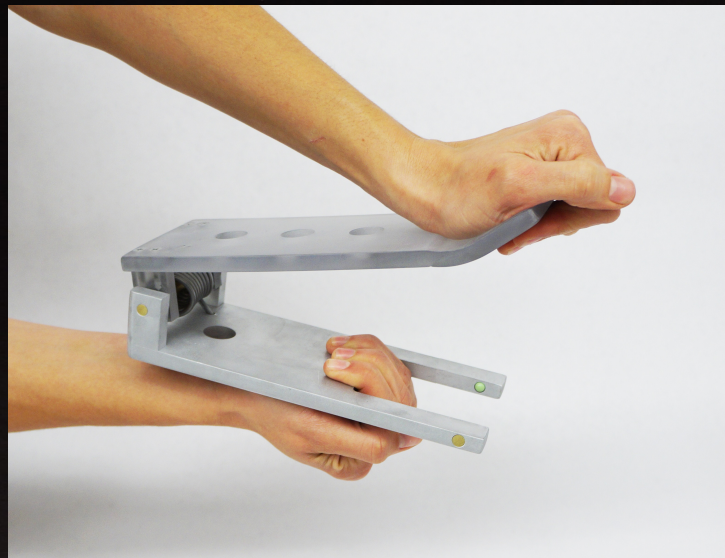

a video game employing a Kid Maneuvering Unit to teach the gravity of different planets

Bunny Lamp
Ettore Sottsass-inspired illuminating object

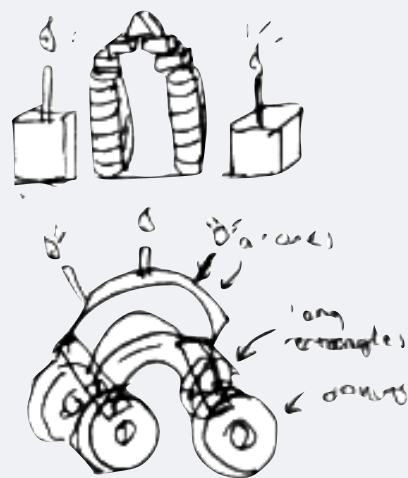

The Longboarder Clamp
a clamp to secure a basket on a longboard

Baking Blocks

24" by 48" poster displayed at Look Closer exhibition
by Camille Utterback at Coulter Art Gallery

A rendering of a product line on supermarket shelves that includes baking molds shaped like building blocks, cake frosting branded as cake cement, and cake mix boxes promoting building. I used ink and markers to render the piece, and sought to merge gender roles to celebrate gender neutrality in a non-obvious way.
